“Top Hat Tele” Telescoping Tilt Column

This new Telescoping Tilt Column enables 1” of column adjustability by simply moving the steering wheel towards or away from the driver. A spring loaded-design utilizes a billet lever for smooth and easy adjustment for driver comfort and clearance. The styling is based on the early Corvette steering column – sleek and streamlined with 2” diameter stainless tubing.

- Comes in standard 30” or 32” lengths, or other lengths available through our custom manufacturing program
- Available in Paintable Mill, Black Powdercoat and Polished Stainless finishes
- 3 year/36,000 mile warranty
- Made in the USA
