## MOPAR MOUNT VERIFICATION

Although your vehicle may be listed as A/B/E Body, the column that will properly fit inside your dash pertains to the type of OEM mount used on your original column. See the mounts here to determine which specific column model will correctly fit inside your vehicle.

**A-BODY**

**B-BODY**

**E-BODY**

## REPLACEMENT SELECTION

Once you've determined your specific Mopar mount, view these corresponding part number tables to find which replacement column will best fit your vehicle.
