1965-70 Classic Mustang Swivel Floor Mounts

Flaming River's popular series of Muscle Car Swivel Floor Mounts have been expanded to include the classic 1965-70 Mustang. They are an attractive and convenient option for installing a Flaming River Tilt Column in your classic Mustang. The machined aluminum ball swivels to allow positioning and installation of the steering column at virtually any angle. Each Floor Mount is polished aluminum with a satin finish back plate. Made in the USA - American made for American Hot Rods!
