1960-65 Ford Comet/Falcon Power Rack and Pinion Cradle Kit

A complete Power Rack and Pinion Conversion System is now available for the 1960-65 Ford Comet/Falcon for improved steering and handling performance. No cutting, drilling, or welding is required for installation—the kit simply bolts into the vehicle's original mounting holes using basic hand tools. This power rack kit is available with a Floor Shift Tilt Steering Column, Column Shift Tilt Steering Column, or no column at all. A brand new Billet-Power™ Rack and Pinion is included and provides more than 6" of travel and full turning radius: Lock-to-Lock, Stop-to-Stop. Every Flaming River Power Rack and Pinion is made in the USA, is fluid and pressure tested before it leaves our facility and comes with lifetime serviceability.

Flaming River also offers coated Small Block Ford Long Tube Exhaust Headers to eliminate clearance issues (FR50003C).

Rack and Pinion Kit Includes:

- All new Billet-Power™ Rack and Pinion
- Choice of new Floor Shift Tilt Column, Column Shift Tilt Column, or No Column kits
- Rack and Pinion Cradle System
- All Mounting Hardware required for installation
- Wiring Connector
- Universal Joints and Shafts
- Power Steering Pump and Pulley
- Polished Aluminum Mounting reservoir
